EDITORIAL BOARD	CONTENTS
<ul style="list-style-type: none">• Mr. In-Mo Lee, Past President, ITA and Tutor ITA-CET; Korea University - School of Civil, Environmental & Architectural Engineering - Seoul - KR-136-713 - South Korea• Mr. Martin C. Knights – Past President, ITA and Tutor WG3 -Tutor ITACUS, Halcrow Group Limited - Vineyard House - 44 Brook Green - Hammersmith - London - W6 7BY - United Kingdom• Mr. Claude Brenguier, Executive Director, ITACET• Mr. Mangu Singh, President, TAI; Managing Director, DMRC• Dr. T. Ramamurty, Former Prof. IIT, Delhi• Mr. J.K. Sharma, Vice President, TAI and Director – Projects, NHPC• Mr. K. Subraminan, Vice President, TAI and MD, AFCON Infrastructure Ltd.• Mr. R.D. Varangaonkar, COO Hydro, Patel Engg. Ltd.• Mr. M.M. Madan, Director – Hydro, GVK• Mr. Vinod Kumar, Director – Hydro, Gammon Infrastructure Ltd.• Mr. R.K. Vishnoi, General Manager, Design Civil, THDC India Ltd.• Mr. Satish K. Sharma, Vice President, Hydro Power, Moserbaer Project Pvt. Ltd.	<p style="text-align: right;">Page No.</p> <p>FROM EDITOR'S DESK 3</p> <p>Articles</p> <ul style="list-style-type: none">• Elastomer Rubber Gaskets for Segmental Liners – <i>Dr. Ing. Werner Grabe</i> 4• Precast Tunnel Segment Made in Concrete Reinforced with High Strength Steel Fibers Testing and Case Studies – <i>Benoit de Rivaz</i> 8• Customized State-of-the-Art Segment Production – <i>Jörg Riechers</i> 15• An overview of Design and Testing schemes for Steel Fibre Reinforced Concrete Precast Segmental Tunnel Linings – <i>Navneet T. Narayan and Chandan Vaidya</i> 23 <p>TAI Activity 27</p> <p>News 33</p> <ul style="list-style-type: none">• Bangalore Metro Reaches Breakthrough• Chennai Metro's First TBM Completes Drive• Nepalese Highway Construction Starts in November• New phase of Tunnelling for Delhi• Chennai Works Crack on <p>Events Calendar 35</p>

ABOUT JOURNAL

TAI journal is half yearly journal of Tunnelling Association of India which publishes authoritative articles encompassing the development of innovative uses of underground space and the results of high quality research into improved, more cost-effective techniques for the planning, geo-investigation, design construction, operation and maintenance of underground and earth-sheltered structures.

The journal provides an effective vehicle for the improved national exchange of information on developments in underground technology – and the experience gained from its use – and is strongly committed to publishing papers on the interdisciplinary aspects of creating, planning, and regulating underground space.

All communications to be addressed to :

Secretary General

Tunnelling Association of India, CBIP Building, Malcha Marg, Chanakyapuri, New Delhi – 110 021
